

Sermon notes for November 28, 2021
Advent 1

When the King practices justice
and righteousness, then both the
city and the land will be saved.

This is a
Hebrew
alphabet psalm,
focused upon
God's HESED or
“unwavering love.”

Anticipatory hope is not enough anymore. Participatory hope is the only kind that works now. I want cleats, not ruby slippers.—Barbara Brown Taylor

Be alert for the coming of the Human One, NOT a monster.
